

Roero E-bike tours with tasting at the Poderi Vaiot winemaking estate

Departure and arrival: at the Poderi Vaiot Estate

Tour length: Both half-day and daylong tours are available

Type of tour: depending on the ability and preferences of the participants the tours can take place on graded roads of greater or lesser difficulty or on asphalt.

All routes are safe and are verified by the guide.

The cycle paths are close to the famous “Rocche del Roero” and traverse woods, vineyards and orchards, with splendid panoramas of the Roero hills with their unforgettable views of castles, chapels and traditional stone cottages.

E-bike rental: E-bikes can be rented directly from the guide.

Lunch: For daylong tours, lunch can be arranged at a restaurant or a simple sandwich bar.

Detailed description of the circuit: The guide will set the route and provide details before setting out. During the tour, the guide will point out the geological, historical, cultural and agricultural features of the territory.

The following tours can be arranged:

Half-day tours

morning: departure around 9.30; returning around 12.30 / 13.00

afternoon: departure around 13.30; returning around 16.30 / 17.00

Daylong tours:

departure around 9.30 and returning around 16.00-17.00

Roero E-bike tours and Truffle hunting

Go truffle hunting with an expert “trifulao” from our area. It's a fantastic experience that starts and ends from our cellar.

Be the stars of “Find the Truffle” and breathe in its irresistible aroma; make friends with the trifulao and his specially-trained dog, the tabui as you roam the Roero forests.

The trifulao will share the secrets and legends of a timeless profession. At the end of the hunt, return to the cellar for a great tasting of our wines with pairings.

For more information about this activity, the cost and also for reservations, please get in touch with us.
